Fort Hays State Football - Outlook '92

Fort Hays State University has posted back to back eight win seasons under head football coach Bob Cortese. With 15 of 22 starters returning, a repeat performance is possible. In their initial season in the Rocky Mountain Athletic Conference, the Tigers posted a 4-2-0 record, good for second place. FHSU should again contend for the title in '92. A number 10 final ranking in the National Association of Intercollegiate Athletics poll left the Tigers home for the playoffs in '91.

The most difficult task that faces Cortese will be the move from the NAIA to the National Collegiate Athletic Association Division II level. All eight football members of the RMAC have made the move to the NCAA II. Building a Division II football program and earning the respect that was gained the last two seasons in the NAIA will be a challenge for Cortese. A challenge that he is prepared to undertake.

DEFENSE

The Black & Gold return eight starters on a defense that ranked number two in the RMAC in 1991. The Tigers were first against the rush and fourth against the pass for an overall number two ranking in total defense.

The biggest challenge for defensive coordinator Jay Hood will be replacing NAIA All-America defensive lineman, Kevin Wright.

Returning to bolster the defense are the top two tacklers in the RMAC, linebackers Dustin Bailey and Ric Aschbrenner. Bailey, a senior middle linebacker, earned All-RMAC, All-District 10 and second team All-NAIA honors in his initial season with the Tigers. A senior outside linebacker, Aschbrenner, was named to the All-RMAC first team last season. Roman Rodriguez returns for his senior year at outside linebacker opposite Aschbrenner. Aaron Mata transferred to FHSU from St. Mary of the Plains, after the school closed. Mata should see playing time at linebacker.

Senior defensive end Chad Criqui, who recorded eight sacks

last season, a team high, returns to terrorize opposition quarterbacks. Patrolling the other defensive end position is junior Jared Marshall, who registered three quarterback sacks and four tackles for loss. Brian Haynes and Mitch Harris who saw action last season, along with Valdosta State transfer Ric Dewees should be quality backups.

Defensive tackles Mike Richards and James Smallwood return to man the defensive line. Mesa State College transfer Mike Gordon, senior John Ludes and freshman Darren Organ, will see action on the defensive front for the Tigers this season.

The defensive backfield will see the most change in 1991 with only Dave Foster returning to claim his starting safety spot. Cortese will try to add more speed to his defensive backfield this season. Sophomore Brad Springston, who saw action in six games last season, looks for more playing time in '92. Junior College defensive backs Kuma Hattan, Hartnell JC and Eddie Norton, Kemper Military JC, should challenge for starting spots in their initial FHSU campaign.

Three freshmen, Ty See, Chris Carrol and Keith Eck will bolster the secondary in '92.

Cortese on the defense:

"Our defense did not play as good as we would have liked to last season. We played well in the conference but lacked team speed. We tried to improve that with some junior college transfers. Three starting linebackers return and that gives me some confidence. Our front eight have all played some for us in the past and are all pretty good. If we can tighten up the secondary with better athletes, we'll be as good as last season."

OFFENSE

The offense returns seven players who saw extensive duty in the

1991 season. FHSU's offense ranked number two in the RMAC in rushing and set a FHSU single season team rushing record, 2996-yards. Gone are two NAIA All-Americans in offensive tackle Dave Lannon and tight end Chris Capettini. Graduation also claimed Lannon's counterpart at tackle Ron Staten.

The cornerstone of an offense, the offensive line, must be rebuilt and rearranged by offensive coordinator Bill Kralicek. Sophomores Calvin Hett and Mike Reeves will move to tackle after see playing time at guard last season. Anchoring the middle of the line will be center C.J. Haberkorn. Haberkorn started all 11 games last season at center, his first at the position. Jeff Weatherwax and Rob Montgomery will challenge for time at guard. Both started at one point last season.

Tiger veteran Todd Smalley, along with junior college transfer Roy Spray II and freshman Chad Fuller will provide depth to an offensive line that is small in numbers.

A battle for the tight end position should be between sophomores Aaron Foist and Mark Wahlmeier along with junior college transfer Greg Bryant, Kemper Military JC.

Returning to run the ball behind the revamped offensive line will be Alfredo Hylton, who was the first FHSU runner to gain 1000-yards since 1985. Hylton gained 1135-yards last season, averaging 103.2-yards per game and 6.6-yards per carry. In the game against Panhandle State last season, Hylton rushed for 147-yards and scored five touchdowns. The five touchdowns and 30 points tie single game FHSU records. Spelling Hylton this season will be Tyrone Jackson a transfer from Dodge City CC.

Blocking and carrying the ball on short yardage will be fullbacks Ryan Bornholdt and Clint Bedore. Bornholdt was scheduled to start for the '91 team but was one credit hour short of eligibility. Attending FHSU last year Bornholdt became eligible for the '92 squad and should challenge for that same fullback spot. Bedore will be used at both fullback and tailback positions.

Fort Hays State Football - Outlook '92

The receiving duties should be handled by incumbent John Ruder and back up Mike Ashbaugh. Ruder, a wingback, led the '91 team in catches with 24, six of which were touchdowns. In the final five games of last season Ruder caught a touchdown pass. Wide out Ashbaugh got a late start last season due to a shoulder injury. Expected to battle Ruder is hometown native Tracy Hoffman who transferred to FHSU from Washburn University. Justin Basart could also vie for receiver playing time in '92.

The field general position for the '92 Tigers should be between sophomore Dustin McEwen and University of Northern Colorado transfer Lance Schwindt. McEwen, in limited playing time, threw for 210-yards and three touchdowns. McEwen comes to FHSU from Norton Community High School, Norton, KS and provides the Tigers with a strong armed quarterback. Schwindt a transfer from Northern Colorado could press McEwen this season. At UNC Schwindt sat out last season as a redshirt. Schwindt will also compete for the FHSU track team.

Cortese on the offense:

"Offensively we've got some holes to fill, you don't replace two All-America athletes like Lannon and Capettini easily. We've got some kids who have played in the offensive line but not a lot of depth. If the injury bug hits the line, major adjustments may be needed. The receiving corps is about the same as last season. The backfield should not be a problem in quality or depth. Quarterback is solid with, McEwen and Schwindt battling for time."

SPECIAL TEAMS

The kicking game remains intact with place-kicker Roy Miller and punter John Ruder returning for their senior campaigns. Miller

earned All-RMAC and honorable mention NAIA All-America honors in '91. Miller was good on 35 of 41 extra points and 6 of 10 field goals. Miller's 35 extra points broke the school record of 31 set in 1985. Eclipsing his own kicking points record of 47, Miller scored 53 last season. Brad Springston and junior college transfer Chris Diedrick, Highland CC, could challenge Miller.

Averaging 38.5 yards per punt Ruder was named to the All-District 10 team last season. Ruder holds the FHSU mark for punts in a season and a career. Diedrick and Springston will battle for backup duties.

Gone from last season is return man Kevin Pierre who handled both kickoff and punt return duties. Cortese will need to search for a return man this season. Four candidates for the job are Clint Bedore, Alfredo Hylton, Tyrone Jackson and Ty See.

Cortese on the Special Teams:

"Roy Miller is back and we're excited. Roy had a good season last year and should be better this year. John Ruder is back at punter but we have some other kids who could free him up to work on his offensive abilities. Bedore, Hylton, Jackson and See will get a

chance to show me they can return."

SCHEDULE

The Tigers will compete in the RMAC conference. The RMAC consists of eight football playing schools from the states of Kansas, Colorado, Nebraska and New Mexico. The addition of New Mexico Highlands to the RMAC schedule leaves the Tigers with four non-conference games. Emporia State, Central Oklahoma, Central Arkansas and Nebraska-Kearney makeup a tough non-conference schedule. Central Arkansas is the defending NAIA National Champion and returns 14 of 22 starters. RMAC foe Western State College played in the NAIA semifinals last season. Cortese must also make a second consecutive trip to Mesa State College to face the team he coached for 10 seasons.

Cortese on the Schedule:

"Our team might be as good as the last couple of years but we're playing better teams and the record may not be as good. Coming through those first four non-conference games at 2-2 would be an accomplishment in itself. As a coach you're always excited about a new season, you're undefeated."

Bob Cortese Head Coach

Cortese has been successful at every stop along his illustrious coaching career and has proven that in two seasons at Fort Hays State. Cortese led the Tigers to an 8-4-0 overall mark and the school's first ever post-season playoff appearance in 1990, his first season at FHSU. In 1991 the Tigers again posted an eight win season, 8-3-0, under Cortese's leadership. Win number eight last year pushed Cortese to the 100 win plateau. His overall record now stands at 100-29-3 in 12 seasons as a collegiate head coach. In just two seasons at FHSU Cortese ranks 10th in wins on the Tiger all time victory list.

Cortese was named the 18th head football coach in FHSU history, December 29, 1989, after 10 years as head coach at Mesa State College in Grand Junction, Colorado. The Mavericks landed six NAIA playoff berths while establishing an 84-22-3 record with Cortese as its head coach. Mesa State had records of 2-8 and 1-8, respectively, the two seasons prior to Cortese's appointment as head coach. He only had one losing season, 3-6 in his first year, with the Mavericks and never lost more than three games in any season after his first year. The 50-year-old native of Rochester, NY has taken a team to the NAIA playoffs seven of the last 10 seasons.

Along with success comes honors, Cortese was named the NAIA District 7 Coach of the Year six times. He also was a runner-up for NAIA National Coach of the Year honors in 1982 & 1983. In his first year at FHSU he duplicated those honors with NAIA District 10 and runner-up NAIA National recognition.

As a collegiate athlete, Cortese excelled on the football field at Northeastern Junior College in Sterling, CO, where he earned J.C. Grid-Wire and UPI All-America honors in 1962. He went on to spend two successful seasons with the University of Colorado. He earned a bachelor of science degree from Colorado in 1967 with a major in physical education. He completed work on a master's degree in curriculum and instruction with an emphasis in vocational education at the University of Northern Colorado in 1973.

After his playing days at the University of Colorado, Cortese spent two seasons as a graduate assistant in the program and later returned to the program under both Bill Mallory and Chuck Fairbanks as a full time assistant.

Cortese was a prep coach in Colorado at Lakewood High School (1979-80), Arvada Senior High School (1974-77), Highland High School (1971-74), and St. Joseph High School (1969-71). His coaching mark at all levels is an impressive 190-52-4 in 23 seasons.

Prior to his current post, President Hammond gained education experiences and shared his expertise at the University of Louisville, Seton Hall University, Southern Illinois University, Purdue Univer-

sity, and the University of Missouri-Columbia. The President holds a bachelor's and master's degree from Emporia State University and the Ph.D. from the University of Missouri-Columbia.

President Hammond has been extremely active since assuming the leadership of the University in the summer of 1987. He laid the groundwork for the Western Kansas Educational Compact, a cooperative educational initiative between FHSU and the community colleges in Western Kansas; has watched his dream to totally computerize the campus become a reality; created a Western Kansas Coalition, an organization comprised of business and community leaders from 57 Western Kansas counties; helped to establish scholarship programs for potential minority school teachers at Garden City and Liberal; has played a major role in furthering economic development in Hays and Western Kansas; and

introduced a voice mail system that vaulted the foreign language efforts of FHSU into an elite class. He saw the completion of the Beach/Schmidt Performing Arts Center for the cultural development of the area and launched the expansion of Sternberg Museum to a new location on Interstate 70. He obtained federal and state funding for a new \$20 million science building and initiated a \$20 million Capital Campaign to raise private monies for the enhancement of other FHSU projects.

President Hammond has published widely and is in demand nationally as an education consultant because of his expertise in risk management, staff and institutional liability, sexual harassment, and alcohol education issues.

The Hammond family includes wife Viv (Hammek), formerly of Ellinwood, daughters Kelly and Julie and son Lance.

Tom Spicer - Director of Athletics

When Tom Spicer was named to the director of athletics post at Fort Hays State University on July 27, 1989, he said it was something he had dreamed about for quite some time. Spicer is starting his fourth year as director of athletics and has emphasized a return to athletic and academic excellence.

A native of Beaver, OK, Spicer attended secondary schools in Hays. He is a gradu-

ate of Hays High School and earned a bachelor of science degree from Fort Hays State in 1972. He played varsity football for the Tigers in his collegiate days. Spicer also received his master of science degree from FHSU in 1977. He is completing a specialist in education degree with work at both Southeastern Oklahoma State University and The Wichita State University.

Spicer made the move from director of athletics and dean of student affairs at Butler County Community College in El Dorado back to FHSU. "I look at this as a good, professional move," Spicer said at the announcement of his appointment at FHSU. "I will have an excellent opportunity to share my knowledge and experiences and will gain some new experiences at a quality,

four-year institution. Everyone in the midwest knows that Fort Hays State University is a great school."

The 41-year-old Spicer also has experience as director of athletics, physical education instructor, head football and track coach for the Durant, OK, School District.

Previous to his work in Oklahoma, he taught and coached at Salina South High School, at Bishop Miege High School in Shawnee Mission and at Schlagle High School in Kansas City, KS.

Spicer is married to the former Kathy McGovern of Colorado Springs, CO. She received a bachelor of arts degree in sociology from Fort Hays State in 1972. The Spicers have four children: Matt, Amber, Kristen and Allison.

Lewis Field Stadium

Lewis Field Stadium, the 7,000-seat home of the Tigers was constructed in 1936 on what was formerly the Golden Belt Fairgrounds, and was named in honor of William Alexander Lewis, president of Fort Hays State University from 1913 to 1933.

The native limestone structure is located beside a spacious tree-lined drive and is just a short walk from the campus residence halls and the down-

town business district.

The stadium turf is Bermuda grass, the same strong-rooted plant used in many golf course greens. Dressing rooms, concession areas, athletic training facilities, and equipment storage rooms are located under the grandstands. New restroom facilities were completed before the 1986 season replacing older outdated ones. The newest remodeling was re-

cently finished on the home lockerroom. An overhaul of the former locker room was completed just before fall practices in '90 with a synthetic floor, a false ceiling and new paint providing an entirely different atmosphere. A state-of-the-art stereo system was also installed.

Admittance to the stadium is allowed through two main gates, one on the east side and one on the west side. Four ticket windows are in service for each game.

Atop both grandstands are press box facilities which provide seating for writers, statisticians, radio stations, scouts, and film/video crews. The visitor's coaches box and all film/video crews are located on the west side.

The east side is made available for all press, radio, Fort Hays State sports information, visiting information personnel, public address, scoreboard operations and a private box for the president of the university and guests. An eight-lane, cinder track surrounds the playing field and adjacent to the stadium are regulation size practice facilities.

Fort Hays State University

Founded in 1902 on the Plains of Western Kansas, Fort Hays State University is the second youngest of the six state universities of higher education.

From an exciting beginning, when 34 students were greeted by two faculty members and a 19-course curriculum, our University has grown to a student body of 5,700, a faculty of nearly 300, a support staff of 250 and a curriculum comprised of 1,500 courses.

Fort Hays State University is one of seven state-assisted universities governed by a Board of Regents appointed by the Governor of the State of Kansas.

The main campus of FHSU sits on 200 of the 4,160 acres owned by the state of Kansas and deeded to the University. Winding Big Creek, with its shady, grassy banks, traverses the campus and provides not

only a tranquil, conducive learning atmosphere, but also a natural laboratory for students in the biological sciences. Our campus has often been called the prettiest in Kansas.

Fort Hays State University is located in Hays, the largest city in northwest Kansas. A progressive city of 17,500 people, Hays is an old cow town on the Union Pacific railroad. The old and the new blend beautifully to form a city that is small enough you can feel comfortable in, yet is large enough to provide culture and shopping facilities second to none.

The University is comprised of four colleges: Arts and Sciences, Business, Education, and Health and Life Sciences, and a Graduate School.

FHSU is academically superior to many comparable universities and is richly

endowed by heritage and tradition. A recent survey of our students showed that while there are a multitude of reasons why students come to our University, their overwhelming response was "because of the University's reputation for academic excellence."

Fort Hays State University supports one of the most extensive intercollegiate sports programs of any comparable size college or university in America. More than 350 athletes annually compete in seven men's and five women's sports. Fort Hays State University recently joined the Rocky Mountain Athletic Conference, and competed for the conference football championship for the first time in 1991. The RMAC is comprised of eight schools from the states of Kansas, Colorado, Nebraska and New Mexico.

A Review Of 1991 Tiger Football

Emporia State 28, Fort Hays State 27

HAYS, KS (Sept. 7) The Tigers opened the 1991 season against intra-state rival Emporia State. A crowd of 6,103 fans packed Lewis Field Stadium to witness the 65th meeting of the two Kansas teams. FHSU struck first when Mike Zegunis scored the first touchdown of the 1991 season on a 5-yard run with 2:54 remaining in the first quarter. ESU scored on a 13-yard pass from Curtis West to Anthony Cowins to tie the game at seven after one quarter. Fullback Gary Hanus gave the Tigers a seven point halftime lead when he hauled in a 12-yard pass from Damon Fisher. The Tigers took a seven point lead into the final quarter, as the two teams traded third quarter touchdowns. The Hornets used the West to Cowins passing combination to tie the score at 21, just 11 seconds into the final frame. Runningback Quincy Tillman scored his second touchdown of the game on a 1-yard run giving ESU a lead it would not relinquish. Black & Gold tailback Alfredo Hylton scored with 38 seconds remaining to pull the Tigers within one point. FHSU head Coach Bob Cortese elected to go for the two-point conversion and the win. The Tigers were successful on the two-point attempt, only to be penalized for illegal formation. Cortese drew an unsportsmanlike conduct penalty and place-kicker Roy Miller missed the conversion from 40-yards. Miller's on side-kick was recovered by FHSU defensive back Dave Hagerman. Miller's field goal attempt from 49-yards was wide to the right and ESU won the game by a final score of 28-27.

Durango, CO (Nov. 2) The Tigers had to battle a blizzard just to travel to Durango, CO to play the RMAC contest. FHSU totaled more than 500-yards in total offense to run past the Raiders. Tailback Alfredo Hylton did most of the damage scoring three touchdowns and gaining 226-yards on 26 carries. The first 28 points of the game were scored by the Black & Gold who held a 36-8 halftime advantage. FLC was held in check by a tough run defense which allowed only 40 rushing yards on 31 carries. Raider quarterback Thad Trujillo kept his team in the game completing 24 of 37 passes for 340 yards and three touchdowns. Tiger linebackers Ric Aschbrenner and Dustin Bailey intercepted Trujillo passes. Aschbrenner returned his pick-off 31-yards for a touchdown.

Fort Hays State 21, Adams State College 20

HAYS (Nov. 9) With 4:05 left in the game Adams State College mounted a fourth quarter comeback which fell short. ASC quarterback Brad Widhalm overthrew his intended receiver on a two-point conversion attempt giving FHSU the 21-20 win. Widhalm started the comeback when he connected with Roman Gamueda on a 13-yard touchdown play to pull the Indians within seven, 21-14. When Widhalm scored on a 1-yard run the Indians trailed 21-20. ASC head coach Jeff Geiser elected to go for the win with a two-point conversion attempt. The pass sailed over the outstretched arms of the open receiver and the Tigers escaped with the one-point win, 21-20. ASC took the first quarter lead on a Mark Krasovich 38-yard touchdown pass from Widhalm. FHSU quarterback Damon Fisher knotted the game in the second period on a 20-yard run. FHSU drew first blood in the second half when John Ruder hauled in a 23-yard pass from Fisher to put the Tigers ahead to stay 14-7. Fullback Richard Funkhouser's 1-yard touchdown plunge in the final period made the score 21-7. When the Widhalm rally fell short, FHSU improved to 7-3 overall, 4-2 in the RMAC.

HAYS (Nov. 16) FHSU scored in every quarter on its way to a 59 point record setting night. The 59 points established a new school record for points scored in one game. Tailback Alfredo Hylton and quarterback Damon Fisher both surpassed 100-yards, 147 and 107, respectively. Hylton scored five touchdowns, tying the FHSU record for touchdowns and points in one game. Receiver John Ruder caught a 10-yard touchdown pass from Dustin McEwen in the fourth quarter. Ruder caught a touchdown pass in the last five games of the 1991 season. Allowing only 44-yards(33 rushing, 11 passing) the stingy Tiger defense set a school record for fewest yards allowed in a game. The Tigers finished the season 8-3 overall and 4-2 in the RMAC. The eight wins tied the school record number of wins in one season.
